WINTER 2006

### Christmas Caroling Dates Set

Olde Town Historic Neighborhood will be spreading the "Spirit of Christmas Past" by singing Christmas Carols to many of Port Huron's neighborhoods. Two dates have been set, December 4th for our popular Trolley Tour, and December 15th for our Olde Town Historic neighborhood walking tour.

On December 4th, a trolley provided by Blue Water Area Transit, will escort Victorian garbed Carolers to various neighborhoods to sing for the residents. The tour will include a variety of neighborhoods throughout the entire city. The tour will start and end at the 11th Street home of Steve and Jenny Bayless. The Bayless' will also host the afterglow party after we return from caroling.

The Trolley Caroling Tour has become one of the most anticipated events hosted by the Olde Town Historic Neighborhood. The tour is open to anyone who wishes to join us in this Victorian celebration of the spirit of Christmas past.

December 15th is the date of our annual Olde Town Neighborhood caroling tour. We will meet at the home of Jim and Michelle Fisher on Court Street, and walk to various homes in and around the Olde Town Historic District. The

Fishers will be hosting the afterglow party after the caroling.

Anyone is welcome to join in these caroling events. As always, we welcome folks who can sing, as well as those who have difficulty carrying a tune in a bushel basket.

Anyone wishing to sign up for these caroling events should call Jim and Michelle Fisher at 984-8384. A limited number of outfits are available for those wishing to carol with us.

### FIRST NIGHT 2007

Olde Town has been asked to participate in the kick-off celebration of Port Huron's Sesquicentennial, **First Night**. First Night is Port Huron's annual family oriented non-alcoholic city-wide New Year's Eve celebration.

Olde Town has been asked to provide people dressed in Victorian period costuming to add a historic flavor to the celebration. All that is asked, is that we have a number of Olde Town members attend the events of First Night dressed in period clothing. In exchange, you will receive complimentary "ticket" allowing you to attend all First Night events.

Please contact Jim and Michelle Fisher by December 15th to sign up for this event!
